

Noair® Heat Squares

Instructions:

1. Remove product from package and place on pool deck in direct sunlight for approximately 5-10 minutes to eliminate most package fold marks.
2. Place directly onto pool surface with Noair® Heat Squares logo facing up. DO NOT INFLATE: Air Valve is for packaging purposes only. Please make sure air valve is closed prior to use.
3. To increase heat gain and decrease water evaporation additional Noair® Heat Squares may be added.

To Store When Not in Use:

1. Rinse cover with fresh water to remove any damaging salt or pool chemicals.
2. Dry cover to remove any excess water.
3. Store in a cool, clean location out of direct sunlight.
