Sunstone Pearl Ice Aqua Ice

PEBBLE

Sunstone Pearl Ice St. Lucia Ice

A FINISH THAT GLIMMERS

SunStone Pearl Ice is the latest in pool finish technology. This new finish combines smaller, delicate hand-selected pebble aggregates with reinforced white Portland cement and iridescent glass bead. The result is a pool finish that feels as smooth as the surface of a precious pearl while glimmering like the sea.

SunStone Pearl Ice is available in eight incredible new finish options, giving you a wide range of beautiful water color possibilities.

BENEFITS:

- Proven Durability
- Etch Resistant
- Rich Color
- Enhanced Brilliance
- Variegated Aggregates
- Easy Maintenance
- Lightly Textured

SAMPLES:

Actual CL Industries' finish and water color may differ from digitally photographed and reproduced samples. CL Industries strongly recommends viewing actual swimming pools in person before deciding on a color.
