

DELIVER OPTIMAL SPARKLING CLEAR WATER

Built for durability and efficiency, the Madimack EliteClear Single-Element Cartridge Filter is designed with high-strength, UV-resistant materials to extend its lifespan. Its compact, low-profile design makes it ideal for pools with limited space, while the advanced filtration system ensures superior dirt-catching capability for consistently crystal-clear water.

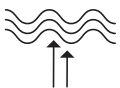

Easy-grip lid handle
for effortless maintenance

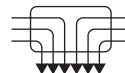

Large one-piece cartridge element
greater filtration surface for trapping more dirt and debris, reducing cleaning needs and eliminating backwashing, saving water and chemicals

Locking ring with quick-release latch
quick and easy access for maintenance

High flow, single element
cartridge filter for sparkling clear water

Large water drain
enables fast and simple winterization

Easy cleaning
just rinse with a garden hose

Indicative pressure gauge
shows when servicing is needed

TECHNICAL PARAMETERS
