KEEP THE POOL CLEAN AND CORD-FREE!

The Polaris® FREEDOM™ cordless robotic cleaner provides powerful cleaning with four cleaning modes and sends app notifications when cleaning is done so you can easily retrieve the cleaner at the waterline.

PREMIUM OUTDOOR CHARGING STATION*

Convenient storage and charging with Easy-Charge Station rated for outdoor use

*Do not expose charger to direct sunlight, rain, or inclement weather

QUICK TO CHARGE. QUICK TO CLEAN.

Cleans for up to 2.5 hours
Recharges in less than 5 hours

TAP & LIFT™ REMOVAL SYSTEM

For convenient retrieval at the waterline when cleaning is done, simply tap the top of the cleaner with a pool pole and it drives up to meet you at the waterline for lightweight removal

FOUR CLEANING MODES

On-demand cleaning of the floor or floor, walls and waterline — Plus, app-activated waterline only and SMART Cycle options

CONNECT WITH YOUR CLEANER*

View charging status, select cleaning mode and receive end-of-cycle push notifications from the iAquaLink® app

*WiFi not available while cleaner is underwater

POWER THAT ENDURES

Long-life 9.6 Ah lithium-ion battery won't compromise endurance or performance over time
