Ultra Cleaning Performance

Say hello to a spotless pool! The Scuba P1 boasts 15000LPH suction and Aiper's exclusive 3µm MicroMesh™ Ultra-fine Filter, effortlessly trapping dust, algae, and even microbes. Perfect for those who want a pristine pool without the fuss—cleaning has never been this powerful or simple!

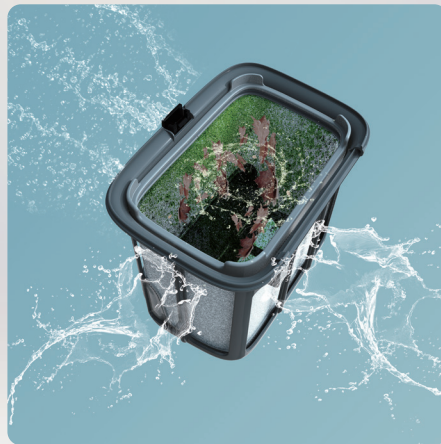

Effortless Convenience

Lightweight at just 6.7 kg and designed for ultimate ease, the Scuba P1 features glare-free indicators, one-click activation, and periodic cleaning. Set it, forget it, and enjoy more time for what matters most—ideal for families who love easy solutions!

WavePath™ Navigation Technology

Equipped with the WavePath™ Navigation Technology, the Scuba P1 delivers smart, efficient cleaning path planning. It adapts to your pool's layout, ensuring optimal coverage and a spotless clean every time—effortlessly!

Replaceable MicroMesh™ Ultra-fine Filter

The replaceable MicroMesh™ filter removes microscopic contaminants and captures debris down to 3µm—ensuring cleaner, clearer water with minimal maintenance.

Instant Status Clarity with LED Indicators

Built-in LED lights display different colors to indicate device status or errors, helping users quickly understand and troubleshoot issues.
