

FRESH MINERAL WATER®
CARE FOR YOUR POOL

NO MESS. NO STRESS. NO GUESS.

CRYSTAL CLEAR POOL WATER THAT IS EASIER TO MAINTAIN

That’s what Fresh Mineral Water[®] is all about! Pool owners shouldn’t have to be weekend chemists. So we created a fresh approach to clean water using proprietary Fresh Mineral Water[®] technology. You’ll find it in all of our FROG[®] products.

It’s the alternative way to sanitize — and offers these 4 ADVANTAGES:

CLEANER because it kills bacteria 2 ways — with minerals and a low level of chlorine.

Minerals help keep the pH balanced for **CLEARER** water that shines.

Minerals condition the water for a **SOFTER** feel.

Cartridges are prefilled for no mess, no guess, and no stress — making maintenance **EASIER**.

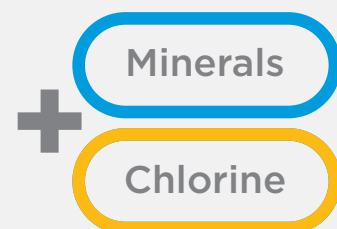

CHOOSE THE FRESH MINERAL WATER[®] SANITIZER THAT’S RIGHT FOR YOU

In-ground or soft-sided, FROG has a Fresh Mineral Water[®] sanitizer for any pool size or type.

WHY FROG TEST STRIPS?

Using standard test strips can lead to over-chlorination and wasting money!

- FROG Test Strips help dial in the right setting for your pool, ensuring Fresh Mineral Water
- The only test strip with the ideal chlorine range for FROG pools
- Accurate test strip readings will stop you from over-chlorination and prolong your Bac Pac life
- Works with all FROG pool products

Don't be confused by standard test strips. Only FROG test strips help you maintain Fresh Mineral Water[®] perfectly.
